Coup Is Staged in Argentina

BUENOS AIRES, Argentina (AP) — Argentina's military leaders engineered a swift bloodless coup during the night, ousting President Arturo Illia in a drive to keep Peronists from political power.

The revolutionary military junta that took over power announced today that Lt. Gen. Juan Carlos Onganía, former army commander in chief and the nation's most prominent military man, will become the new interim president.

The junta also dissolved all political parties, Congress and the Supreme Court.

While the junta made its plans public, Illia, who refused to resign, fled to his brother's house in the northern suburb, apparently before seeking political asylum in Uruguay.

The usually mild-mannered president, who had served 32 months of his six-year term, holed-up Monday night in Casa Rosada, the pink stone seat of government.

Military sources said the army commander in chief who led the coup, Lt. Gen. Pascual A. Pistarini, and the commanders of the navy and air force formed a governing junta following the coup.

Vice President Carlos Perotto fled across the Plata River to Uruguay during the night. The rest of the 65-year-old president's cabinet stood with him as he defied Maj. Gen. Julio R. Alsogaray, commander of the army, who asked Illia to leave Casa Rosada.

Illia told Alsogaray he was Argentina's constitutional president and would not surrender to force.

A government source said the president left the building at 6:55 a.m. but did not disclose the circumstances.

Although troops of the presidential guard had mounted machine guns in the halls and entrances of Casa Rosada, Alsogaray said he did not see any troops and occupied it without trouble.

The military declared a bank holiday but said government offices and other activities would operate as usual.

Nixon Says U.S. Must End War by 1968

DETROIT (AP) — Former Vice President Richard M. Nixon said today the United States will be in a dangerous position if the Vietnam war is not concluded by 1968.

Nixon told a news conference prior to his speech at the national convention of the U.S. Jaycees that "we cannot tolerate a long ground war. We must press for a conclusion before 1968 when the Chinese will have something they do not have now, that is, nuclear capability and the machinery to deliver it."

Nixon expressed support of President Johnson's over-all aims in Viet Nam and was critical of Democratic congressmen who have differed with the president.

"As far as foreign policy is concerned, I think our main problem is not Viet Nam but rather the growing isolationism of the United States as we lose interest overseas," Nixon said.

Nixon had kind words for President Johnson, whom he described as the "hardest working president of this century," and for Vice President Hubert Humphrey, who speaks to the Jaycees Wednesday.

Nixon said the administration's major failing has been inability to control inflation.

"The administration's major failing has been inability to control inflation."

Use of Drugs Discussed at Convention

MCCALL, Idaho (AP) — A panel discussion on regulation covering insurance and usage of drugs was on the program today for the annual convention of the Idaho State Pharmaceutical Association.

Scheduled speakers included Dr. T. O. Carver, state health administrator, and Allyn Gen. Allan G. Shepard.

Dr. William E. Davis, president of Idaho State University, addressed the group Monday, reporting particularly on the work of the university's College of Pharmacy.

He said the five-year pharmacy program has given a measure of credit to the school's rapidly increasing enrollment.

Construction now under way on the campus was reviewed by Dr. John Bergen, dean of the ISU College of Pharmacy.

WELCOMING DELEGATES to the Idaho Postmasters Convention is Fred Sanger, right, postmaster at Twin Falls. Receiving information about the convention are, from left, Claude Ballard, Fairfield, and Mrs. Mary Iverson, Naf. More than 75 postmasters are attending the three-day convention which began Monday at the Holiday Inn. (Times-News photo)

GOP Women Hear 2 Senators, Candidate

Two Republican state senators and a Republican candidate for the State Senate addressed a meeting of the Republican Women Monday afternoon at the Rogerson Hotel Roundup Room. Speaking were Sen. Jack Murphy, president pro-tem of the Idaho Senate and a candidate for Lieutenant governor; Sen. Donald Samuelson, who is candidate for governor, and Douglas Kramer, Twin Falls, a candidate for the State Senate. Sen. Samuelson stated during his speech that "Apathy of people toward government is one of my main concerns. Many times it stems from the election to office of men and women who do not keep their constituents at home properly informed."

"People will take an interest in state affairs," he said. "If given the chance. This has been proved in Bonner County where I held meetings before and during each session of the legislature with the various groups, covering the civic and economic interests of my county at home," Samuelson said.

"The attitude toward government has changed completely in Bonner County since I was elected to office and scheduled these meetings with the various groups to work with them during the sessions."

Samuelson presented four parts of his program which included proper management and use of natural resources, freight rates, new industry in Idaho and state spending keeping in line with the per-capita income of the people.

In regard to spending, Samuelson stated "I will keep state spending within the natural See GOP WOMEN, Page 2, C. 7"

Development Of Ski Area Is Delayed

Development of the Butterfield Ski Area north of Ketchum has been delayed by the withdrawal of the bid of the Boulder Development Co., Soda Springs, according to Mtn. Rees, supervisor of the Sawtooth National Forest.

The Soda Springs company said that "light money with increased interest rates, and the impending increased competition of other ski areas," forced its withdrawal from the development and operation of the ski area.

Rees said that the eastern Idaho firm was awarded the bid for the Butterfield project on Sept. 24, 1965, and had until June 1 to submit detailed evidence of financial ability to develop the ski area.

Currently the forest service is studying the legality of negotiating with another group that is interested in developing the area, the Sawtooth Ski group.

Rees said, "I am very hopeful that someone will want to develop it (the Butterfield Ski Area)."

He said that the Sawtooth Ski group is very interested in the area and has submitted a bid. The area under discussion is located 16 miles north of Ketchum on Highway 93.

Idaho Postmasters Welcomed at Meet

Welcoming addresses and memorial services for deceased members highlighted the Tuesday morning sessions of the Idaho State Postmasters convention being held at the Holiday Inn. Egon Kroll, chairman of the city commissioners, welcomed the more than 75 delegates to the convention and told them of the scenic beauty of Twin Falls and the Magic Valley. Chairman Kroll pointed out the many improvements the city has made in the past few years.

He also cited the increase in the volume of business handled by the local post office.

Memorial services for deceased postal employees were held by Joseph Lambert, Burley. Ruth Purdy, Pocatello, introduced the guests of the convention.

Speakers during the morning session were William T. Andrews, Seattle, Wash., director of postal service officers, and John Rost, Boise postmaster. Rost is the regional adviser to the postmaster general.

Al Funk, Aberdeen, presided during the luncheon, which featured Mrs. Alice R. Busch, Ward Cove, Ala., as speaker. Mrs. Busch is on the national executive committee of the National Association of Postmasters of the United States.

Business meetings were held throughout the afternoon and a banquet is planned for Tuesday evening.

Vietnamese Monk Refuses To End Fast

SAIGON, South Viet Nam (AP) — Buddhist extremist leader Thich Tri Quang defied orders today to fast under South Viet Nam's supreme Buddhist patriarch to end his 21-day hunger strike.

Under arrest in a Saigon clinic, the anti-government monk clung to his diet of sugary liquids, vowing to fast until he was released. Premier Nguyen Cao Ky's military regime resigned to the strike.

The second consecutive day of heavy U.S. air attacks on North Viet Nam fuel the monks' defiance. On the ground, more than 6,000 U.S. troops hunted in the coastal hills 240 miles northeast of Saigon for 1,800 North-Vietnamese but encountered only sniper fire.

The continuous hunger strike drew no comment from the government.

The ruling generals appeared unworried by Tri Quang's stubborn persistence. Having overcome the last Buddhist resistance in Saigon and the northern provinces, they were confident the monk's defiance would not rekindle the dying embers of Buddhist rebellion.

Closed Hearing Set on Vandalism

A closed hearing in connection with the hyaluric acid incident at the high school during July 1 should be kept under control, Judge Zoe Ann Shaul said today. The hearing is for a 17-year-old youth charged with malicious damage.

Three other persons have been served with subpoenas and are to testify at the hearing.

Delegates at State AFL-CIO Conclave Hear Discussion on Medicare Program

BURLEY — Delegates at the state AFL-CIO convention at Burley Tuesday heard Ray Muntz, Washington, D.C., representative from the AFL-CIO social security department, say that the new Medicare program which becomes effective July 1 should be kept under continued scrutiny and study during the coming months.

Muntz said Medicare still is an experimental and formative stage and concrete procedures are yet to be developed. However, he also stated that the American Medical Association claims hospitals and doctors would be unable to cope with increased number of patients. He stated that an AFL-CIO survey recently conducted suggested that this problem would

Auditorium Funds Accepted for CSI Fine Arts Center

The Board of Trustees of the College of Southern Idaho unanimously agreed Monday night to accept the resources of the Civic Auditorium Association and to use the funds to match a federal grant for construction of a fine arts center on the college campus. Agreement was reached during the Monday night meeting of the college's board of trustees with officials of the auditorium association at the Chamber of Commerce office.

The federal grant available for building the fine arts center is \$240,244 and was awarded to the college June 6. Dr. James L. Taylor, college president, said in a statement Monday night the agreement was in keeping with the avowed purpose of making the College of Southern Idaho the outstanding junior college in the Northwest.

The federal grant had been applied for in February of 1966 and Dr. Taylor emphasized the grant would match a \$240,244 basis the Civic Auditorium funds, was not a part of the \$1.8 million federal grants currently being applied for to match the recently approved \$3 million college bond issue.

He further stated that no part of the bond monies will be used in this proposed fine arts building.

"It was the thinking of the two groups that by combining their resources, they could realize a fine arts center that would provide educational and cultural facilities for the citizens of Southcentral Idaho."

The total cost of the project is approximately \$840,000, according to Dr. Taylor. Ed Jones, architect from Cushing-Taylor Associates, Billings, Mont., has been directed to develop work plans.

Two people from the Civic Auditorium Association will be appointed to work with the board of trustees.

The fine arts building will be used for educational and theatrical purposes and for the use of all bona fide civic, cultural and cultural groups of Southcentral Idaho.

Red China's Premier Is In Pakistan

RAWALPINDI, Pakistan (AP) — Premier Chou En-lai of Red China arrived today to a correct but somewhat restrained welcome by Pakistan's government.

The Chinese leader is stopping for three days of talks with President Mohammed Ayub Khan while en route home following visits to Romania and Albania. It appeared Chou would get nothing of substance to add to Peking's propaganda war against the United States and the Soviet Union.

There have been indications in recent months Ayub may be having second thoughts about his foreign policy swing away from the Western camp toward cooperation with China.

U.S. Forces Pull Out of Dominican

SANTO DOMINGO, Dominican Republic (AP) — Withdrawal of U.S. forces from the Dominican Republic began by air and sea at daybreak today.

The first battalion of the 320th Artillery, about 900 men, began boarding two ships at dawn, to return to Ft. Bragg, N.C., headquarters of the 82nd Airborne Division.

At the same time, other troops began boarding air transports at San Isidro albarco for the flight home.

The start of withdrawal was the latest step in dismantling of the 8,000-man inter-American peace force that has occupied this country for the past 14 months. The Organization of American States voted last week to withdraw the entire 30-day contingent within 90 days.

The force was created by the OAS to help restore stability and constitutional government in the wake of a Dominican civil war that began in April 1965. The force was withdrawn following the election of Joaquin Balaguer as president in the June 1 general election. Balaguer is to be inaugurated Friday.

The United States has 6,000 men in the force. The rest are from Paraguay, Nicaragua, Honduras, Costa Rica and Brazil.

The evacuation was to begin from Red Beach, a palm-fringed cove about 10 miles west of Santo Domingo where 400 U.S. Marines made the first U.S. landings after the outbreak of the fighting April 28, 1965.

Man Arraigned In Shooting Case

HERBERT L. GOOLSBY, charged with assault with intent to commit murder in connection with the Sunday shooting of his wife, was arraigned Monday afternoon in Probate Court, given two days to contact counsel and remanded to the custody of the sheriff pending \$10,000 bond.

Goolbsy was charged after his wife, Mrs. Mary Goolbsy, 34, was shot three times at 1:15 a.m. Sunday on a county road near Burley. Mrs. Goolbsy, in good condition at Magic Valley Memorial Hospital, with bullet wounds in the back and abdomen, had filed for divorce about a month ago, and had since asked for police protection.

CONFERENCE DOWNTOWN — WASHINGTON (AP) — Diplomatic circles today are over the overthrow of the Argentine government. "In doubt the holding of an Inter-American conference in Buenos Aires starting Aug. 28."

Cecil Andrus, candidate for the Democratic nomination for governor, will speak to the convention Wednesday. The group also will hear final reports of the resolution, finance and legislation committees.

State School Notes Change In Faculty

GOODING — Several changes have been made in the teaching staff at the Idaho State School for the Deaf and Blind. Jack Foreman, who has a teaching certificate, replaces Robert Dawson as principal of the deaf department. Dawson resigned to accept a position in Indiana. Foreman has instructed deaf children for five years, and has an M.A. degree in special education of the deaf from the Oregon College of Education and the Oregon School for the Deaf.

Richard Simonson will assume the duties of principal of the blind department. This position was vacant during the last school year. Simonson majored in education at the University of Idaho, and is now attending San Francisco State College where he is working for his M.A. degree in special education of the blind.

Mrs. Frank Olander, who has taught in the Gooding public school system for several years, will begin work as a kindergarten teacher in the deaf department. She will work in conjunction with a tutor who will provide individual instruction in speech, lipreading and language. Mrs. Olander graduated from Iowa State Teachers College in Cedar Falls, Iowa, and had special emphasis in kindergarten work in her education major.

Mary Humphreys will be a new teacher in the deaf department. She comes from North Dakota State School for the Deaf, and is a graduate of Minto State Teachers College, Minto, N.D. She received training to teach the deaf in a training center composed of Minto State Teachers College and the North Dakota State School for the Deaf. Miss Humphreys has worked for three years teaching deaf children.

Lorel Baker, who is teaching at the Washington State School for the Deaf, will begin teaching here in the fall. Miss Baker attended college at Augustana College and the South Dakota School for the Deaf, and at Lewis and Clark College and the Washington State School for the Deaf. Her parents reside in Twin Falls.

Darlene K. Black, Grand Rapids, Minn., will teach in the deaf department. She graduated from Colorado State College, Greeley, Colo., with a baccalaureate degree in special education of the deaf.

Robert Zagata, Bush, will teach rotating classes in the school for the deaf. He is currently taking training to teach the deaf at Oregon College of Education and the Oregon State School for the Deaf. He will complete the requirements for a Masters degree in special education of the deaf at the end of the summer session.

Robert Caron, Wallace, will begin work as a teacher of braille and social studies in the blind department. Caron, who attended school here as a student, is a talented musician and sang with the Vandeliers throughout his college career.

He was graduated from the University of Idaho in June. Last summer he represented Idaho as a member of a group of handicapped students who were sent to Denmark on a goodwill tour sponsored by the Idaho Society for Crippled Children and Adults.

Bull Causes Damage to Two Vehicles

SHOSHONE — Two trucks were damaged after one of them hit a bull about 9 a.m. Monday four miles northeast of Shoshone on state highway 28.

Darwin Pugmire, Hagerman, driving a 1960 Kenworth truck and trailer loaded with sheep, traveling round a curve, swerved left to try and miss a bull on the road, but knocked the bull down. The impact damaged the front end of the truck cab.

David Oneda, Shoshone, also traveling southwest, struck the back of the Pugmire truck with his 1960 Mack truck loaded with sheep.

Dale Whitesell, Richfield, driving a Buick Wildcat truck, owned by C. W. Ward, narrowly missed hitting the animal just before the collision. He reported the accident to the Sheriff's office. Deputy Sheriff Martin Whitesell investigated. No citations were issued. The sheep were not hurt.

SIGNING AN AGREEMENT for the construction of a fine arts building on CSI campus are, from left, John Coleman, secretary of CSI Board of Trustees; Dr. Harry F. Brumback

Woman Given Chance to Survive Leap

NEW YORK (AP) — A 20-year-old secretary was quoted Monday as saying she did, indeed, leap 250 feet from the George Washington Bridge. She was given a chance to become the first survivor of the 25-story plunge into the Hudson River.

The girl, Roslyn Hirsch, suffered a broken spine and internal injuries, but physicians at Bellevue Hospital said "her chances of survival are pretty good."

Police said Miss Hirsch told them: "I was upset about a lot of things so I walked on the George Washington Bridge from the New York side and decided to kill myself."

"I jumped myself, nobody was near me. As I went down, I hit the side of the bridge. I thought there would be no surviving but I was conscious. I swam a little bit."

"It was dark when I got to shore. I climbed onto the rocks and fell asleep. I was tired."

A pair of shoes and a purse belonging to Miss Hirsch were found on the bridge at 10:30 p.m. Saturday. Some 12 hours later, the girl was found.

Port authority officials said there are three or four jumpers a year from the bridge, but that the longest any had ever survived before was six hours.

Sturdy Shows Rice Farmers Waste Labor

ROME (AP) — Despite efforts to curb the world's mounting food shortage, a new United Nations report shows that much of the labor that goes into producing rice is wasted.

In highly mechanized Japan, an efficient farmer can produce 44 pounds of rice in seven minutes, but in parts of Southeast Asia it takes a farmer seven hours to produce the same amount, the U.N. Food and Agriculture Organization reports.

When judged among other major rice producers, Japan has the world's highest output—about 4,620 pounds per acre. In contrast, many African countries produce only 880 pounds per acre, FAO says.

Why such a wide gap? FAO blames old-fashioned, inefficient farming methods and too much reliance on manpower when machines would be more efficient.

Rice is the main food in the diet of more than half the world's people.

To help boost output, FAO calls for farmers to abandon the traditional, water-wasting practice of submerging rice plants deeply and continuously. Experiments show it's far more efficient to use shallow depths and intermittent irrigation.

Also, the labor-consuming practice of transplanting seedlings should be replaced by direct seeding, as done in Korea and the United States, FAO adds.

Korean results are good, the U.N. agency says, and require 10 times less work. Direct seeding in the United States usually is done quickly from airplanes.

Gorilla Dies

PITTSBURGH (AP) — Lonesome George, the dead, inspired a trading-stamp campaign for a female mate.

Joseph F. Bissonnette, director of Pittsburgh's Highland Park Zoo, disclosed the death Monday.

A keeper found the 4-year-old gorilla dead in his cage Sunday. The cause hasn't been determined.

Leaders Act To Head Off Army Revolt

LONDON (AP) — Political leaders of the Congo (Brazzaville) Republic acted swiftly today in an attempt to head off a threatened uprising by army men wanting to end the country's one-party system, said reports reaching here.

Premier Ambrose Nounzalla announced in a nationwide broadcast monitored here that he had assumed supreme powers in the absence of President Alphonse Massamba-Debat, who is visiting the Malagasy Republic.

In the wake of demonstration and disorders throughout Monday and today Nounzalla ordered all army units to lay down their arms and to return to their camps.

The former French colony in Africa's west coast has been a setting for active Chinese Communist political penetration. Neither Britain nor the United States have relations with the regime there.

The army in the central African state for some time has been discontented over one-party government, say reports reaching London.

Area Church Has New Assistant

SHOSHONE — William Trammel is new assistant Sunday school superintendent for the LDS Sunday School replacing Loren Brazell, who moved to Salmon.

All MIA members are to attend a hootenanny at Richfield during the MIA class session Wednesday.

Membership records were received for Mr. and Mrs. Dolin Stears and children; Mrs. Carolyn Shirts and children; Sylvia Heath, Elizabeth Heath, Larry Chapman and Sherry May Chapman.

John Hadlock, recently returned from a mission to Argentina, gave a report at special services Sunday.

Court Asked To Change Decision

BOISE (AP) — The Idaho Supreme Court will be asked to reverse the lower court decision declaring the new private contractors licensing act unconstitutional, says Atty. Gen. Allan G. Shepard.

The act, designed to impose contractor standards, constitutionally leaves the way open for arbitrary action by the licensing board, Third District Judge J. Ray Durtch ruled earlier this month.

Arbitrary action is possible because there is no time limit on suspending and revoking licenses, Judge Durtch said. He said arbitrary action by a board is unconstitutional delegation of legislative authority.

Shepard declined to say what the basis of his Supreme Court appeal would be. He said the decision to appeal was made after consultation with the licensing board.

An association of small contractors in the state who said requirements of the act would put many of them out of business asked the court to find the act unconstitutional.

The licensing act, including creation of the licensing board, was enacted by the 1965 legislature.

Fidel Castro Greets Cuban Athletes

MIAMI, Fla. (AP) — Prime Minister Fidel Castro personally welcomed home Monday Cuban athletes returning from the Central American and Caribbean Games, Havana Radio said, mentioning Castro for the first time in 10 days.

Minister of Education Jose Livio said in a news item monitored in Miami that Castro piloted a boat that met the athletes returning from San Juan P.R.

The government-controlled radio had made no reference to Castro since July 17.

There was widespread speculation on his status and a Miami-based exile group said it had reports from good sources that Castro had been undergoing electric-shock medical treatments.

Have Drip-in

HOBOKEN, N. J. (AP) — About 30 mothers, fathers and babies had a drip-in at police headquarters Monday night to rescue a 17-year-old youth.

The youth had turned on a fire hydrant to seek relief from one of the warmest nights on record. Immediately dozens of nearby residents rushed out to frolic in the spray.

Police arrested the youth for illegally turning on the hydrant.

Angry residents, some with babies in their arms and most sopping wet, marched to the police station and demanded the boy's release. They maintained they had all turned on the hydrant.

The desk sergeant let the youth go.

Slides to Be Shown at Meeting

KING HILL — Herbert Edwards, Elmore County Agent, will show slides, give demonstrations and illustrated talks and public speaking demonstrations at 7 p.m. at the King Hill Grange Hall for all 4-H clubs in the area.

All 4-H members and leaders are urged to attend this meeting to prepare for the Elmore County Fair in August.

Boise Man Is Charged in Kidnaping

BOISE (AP) — A 19-year-old Boise man was charged Monday with second-degree kidnaping, accused of keeping a 17-year-old girl captive for nearly 10 hours.

Officers said Darlene Perrine was released near her home and apparently was not harmed.

Charged with kidnaping was John Lee Thompson. He was arraigned before Justice of the Peace J. E. Cronwell, who set a preliminary hearing for July 5. Thompson posted \$2,500 bond and was released.

The complaint-alleged that Thompson forcibly removed Miss Perrine from the home of a friend, where she had been visiting.

Officers said investigation indicated the girl tried to get out of the car, but was prevented from doing so, and then was driven to a foothill area north of Boise.

The girl is the daughter of Mr. and Mrs. Floyd Perrine, who live in the southwestern section of Boise. Officers said the parents reported Thompson was an acquaintance of their daughter.

Officers said that after the girl was released, her father gave chase to the car in which she had been riding, but was unable to catch it.

Thompson was arrested several hours later. Authorities said he was taken into custody in a telephone booth in South Boise.

King Faisal Discusses Study

NEW YORK (AP) — King Faisal of Saudi Arabia and President Nathan M. Pusey of Harvard University have discussed a Harvard research team's studies in Saudi Arabia.

They met at a private luncheon Monday in New York. Pusey told newsmen he and the king discussed "ancient languages" and other findings of the Harvard research team.

Youth Hurt as Cycle Hits Auto

A Twin Falls youth was injured at 10:55 p.m. Sunday when a motorcycle he was riding ran into a car which failed to yield the right of way at Blue Lakes Boulevard North and Falls Avenue.

Police said the youth, Gale Mullinix, 17, 223 1/2 Barnah Ave., was going north on Blue Lakes Boulevard north when a car driven by Michael R. Wilson, 18, Route 3, pulled out in front of him. Wilson told officers he did not see the motorcycle. Mullinix was taken to Magic Valley Memorial Hospital where he was treated and released.

Wilson was cited for failure to yield the right of way.

AUTHOR DIES

SARK, Channel Islands (AP) — Brigadier Desmond Young, 74, biographer of Field Marshal Erwin Rommel, died Monday.

Young was captured by Rommel's Afrika Korps at Bir el Hamra in 1942. After the war he was commissioned to write the German field marshal's life story. It became a world best seller and the book, "The Desert Fox," was made into a movie.

Tour the Orient with Northwest.

We fly there every day—by the shortest route there is.

The wayside shrines of Japan. The lush green of the Philippines. The cherry blossoms of Taiwan. Okinawa, Korea—the dazzling colors of Bangkok and Hong Kong.

You're just hours away from it all when you fly to the Orient on Northwest. We fly non-stop to Tokyo from the U.S. mainland every day.

And when you take off for the Orient on Northwest, you fly the shortest route there is—straight across the Pacific from Seattle. Hours faster than going by way of the mid-Pacific.

One more thing. When you fly Northwest to the Orient, you fly aboard a smooth, quiet Fan-Jet. We don't fly any other kind.

So, come to the Orient on Northwest. For reservations, call your travel agent or Northwest Orient Airlines.

Northwest flies direct to Tokyo from 9 U.S. cities—more than any other airline: New York, Washington, Philadelphia, Cleveland, Detroit, Chicago, Minneapolis/St. Paul, Seattle, and Anchorage. Service from 36 U.S. cities in all.

Mary R. Roan, Reis Disclose Wedding Plans

Mrs. and Mrs. Pierce A. Roan, Twin Falls, announce the forthcoming marriage of their daughter, Mary Ruth, to Gerald Lee Reis, son of Mr. and Mrs. Ralph E. Reis, Filer.

Miss Roan was graduated from Twin Falls High School with the class of 1965, and is employed at the dental office of Dr. Arthur Frantz.

Reis is a 1962 graduate of Filer High School and is attending the College of Southern Idaho. He is employed at the Agri-grow Research Center and is a member of the Idaho Army National Guard.

An Aug. 20 wedding is planned at the First Presbyterian Church, Twin Falls.

MARY RUTH ROAN

MARSHA BINGHAM

Miss Bingham, Hoskins Sate August Rites

JEROME — Mr. and Mrs. Lynn Bingham, Idaho Falls, announce the engagement of their daughter, Marsha, to Max L. Hoskins, son of Mr. and Mrs. Fred Hoskins, Jerome.

Miss Bingham is a sophomore at Idaho State University and is affiliated with Gamma Beta Beta Sorority. Hoskins is a graduate of Jerome High School and is a junior at the university. He is a member of Delta Chi Fraternity.

A late August wedding is planned. The couple will reside in Pocatello, where they will complete their education at Idaho State University.

ELLEN GAIL BUHLER

Faye Lowry, Vinyard Repeat Nuptial Vows

WENDELL — Mr. and Mrs. Marvin Lowry announced the marriage of their daughter, Faye, to Richard Vinyard, son of Mr. and Mrs. Vernon Vinyard Sr., Jerome.

Rev. Warren McConnell, of the Gooding Methodist Church, officiated at the double ring ceremony June 2 at the Wendell Methodist Church.

The bride is a graduate of Wendell High School and is attending Hollywood Beauty College, Twin Falls. The couple will reside at 151 Second Ave. E., Twin Falls.

MRS. RICHARD VINYARD

Grand Chapter Reports Given

RICHFIELD — Grand Chapter reports highlighted the last summer meeting of the Richfield Chapter, Order of Eastern Star, Mrs. Clarence Lemmon was in charge of arrangements for the no-hostess dinner at the Masonic temple.

Mrs. Gunder Fiveland and R. J. Lemmon, Richfield Chapter's 50-year members, reported on ceremonies honoring half-century members at Grand Chapter in Boise. Mrs. E. J. Shaw, Shoshone OES Chapter worthy matron, reported on her attendance as a delegate, and Mrs. Ida Stokney, Shoshone, reported as a visitor.

The chapter will hold its next meeting Sept. 8.

Annual Jubilee Hosted by Area DUP Members

VIEW — The Cassia County Daughters of Utah Pioneers held its annual jubilee at a luncheon gathering at the Annie Laurie Inn, Albion.

Mrs. William Jamison, county president, welcomed the guests and read a poem, "Tribute to a True Pioneer." Mrs. Harvey Wight led the group singing, and Mrs. Cora Garner gave an account of early days in Albion. Lola Marie Ward played two numbers on her electric guitar.

Lula Sears, Albion, was honored guest and received a gift. Marilyn Olson, Oakley, received a gift for being the youngest member present and the Sarah Yeaman Camp, Burley, for having the largest number of members present.

Mrs. Charles W. Larson gave the prayer.

A tour was taken of the Magic Valley Christian College campus.

NANCY MOLINE

Social Events

A rummage sale will be held beginning at 9 a.m. Thursday in the Old Ramsey building, 426 Main Ave. S., sponsored by a small sewing club organized by a group of Twin Falls women.

Ellen Buhler, Fischer Reveal Wedding Plans

Mr. and Mrs. Jay O. Buhler, Twin Falls, announce the engagement and forthcoming marriage of their daughter, Ellen Gail, to James Fischer, son of Mrs. Helen Fischer and the late Mr. Sebastian Fischer, Buhl.

The bride-elect is a 1966 graduate of Twin Falls High School. Fischer is a 1964 graduate of Buhl High School and attended one year at Idaho State University. He is attending the College of Southern Idaho.

A September wedding is planned.

Modern Women Pamper Skin In Summer

By ALICIA HART

NEW YORK (NEA)—Retouch a photograph and almost any woman looks pleasingly attractive.

Unfortunately, few women run through their minute-to-minute lives looking photographically perfect. Summer, especially, brings a lethargy that takes several weeks to recoup in the fall. This is why it is essential to take special care during the pursuit of the fleeting days of summer.

Most women cope with minor disasters quickly. The chigger or mosquito bites, peeling noses, scratches and bruises are here today, gone tomorrow. Their quick-care treatment does not hold true in the complexion department. This is why it is critically important, dermatologists stress, for a woman to protect her skin more and more from overexposure to wind and sun.

Donation Set

MILNER — Members of the Friendship Circle Club voted to donate items to the 4-H auction to be held at Burley at a meeting at the home of Mrs. James Sargent.

Final plans were made for the club's annual picnic and ice cream social. Mrs. Earl Soars was in charge of the entertainment.

Barbara Gust Reveals Date

Mr. and Mrs. Fred W. Gust, New Westminster, British Columbia, announce the engagement of their daughter, Barbara Ann, to Melvin Eugene Oppiger, son of Mr. and Mrs. Melvin Oppiger, Twin Falls.

Oppiger is serving with the Army, stationed at Fort Shafter, Hawaii.

A July 9 wedding is planned at New Westminster.

Nancy Moline, Lavens Reveal November Date

JEROME — Dr. and Mrs. Wesley A. Moline, Spokane, Wash., announce the engagement of their daughter, Nancy, to Tim Lavens, son of Mrs. Kenneth R. Lavens and the late Mr. Kenneth Lavens, Jerome.

The announcement was made at a traditional candlelight ceremony at Houston Hall on the University of Idaho campus during the Mother's Day weekend.

Miss Moline was graduated from Lewis and Clark High School, Spokane, and will enter her junior year at the University of Idaho this fall. She is majoring in elementary education.

Lavens attended schools in Jerome and Twin Falls and was graduated from Twin Falls High School in 1963. He will be a senior at the University of Idaho.

Medical student. He is affiliated with Sigma Chi Fraternity and is a member of the varsity football team.

A Nov. 26 wedding is planned in Spokane.

Miss Matthews, Wickel Wed in Home Ceremony

DECO — United in marriage in home rites June 9 were Charlotte Ann Matthews and Tony Wickel. Bishop Joseph Preston performed the double ring ceremony before a background setting of baskets of red peonies and daisies.

Parade of the newlyweds are Mrs. and Mrs. Betty Matthews, Deeco, and Mr. and Mrs. Raymond Wickel, Albion.

The bride, given in marriage by her father, was attired in a floor-length white satin gown accented with an empire waistline, long tulle sleeves and a rounded neckline. Her shoulder-length veil of illusion was held by a crown of seed pearls. The bride designed and made her gown and the gowns of the bridesmaids.

She carried a bouquet of white Shasta daisies tied with white lace streamers.

Maid of honor was Janis Schmidt, Patricia Matthews, sister of the bride, was bridesmaid.

Best man was Clyde Goodman. Mrs. James Asher registered the guests at the open house at the home of the bride's parents after the ceremony.

Michelle Nelson and Pamela Matthews carried the gifts and they were displayed by Michael Matthews.

Carolyn Matthews, Susan Matthews, Sharon Matthews and Sandra Matthews, cousins of the bride, were in charge of serving refreshments.

Serving tables, covered with ecru lace cloths, were used for refreshments. The three-tiered wedding cake, decorated with

Club Officers Are Elected

The Swinging Sixties entered its third year with an election of officers at a recent gathering.

Officers include Vern Huff, president; Axel Parish, vice president; Mrs. Russell Wynn, treasurer, and Mrs. Wendell Gloystein, secretary.

Plans were made to hold the annual picnic July 10 at Shoshone Park. Ice cream will be furnished.

The next meeting is set for July 8 at the Twin Falls Moose Hall. All persons, 60 years of age or older, are welcome to attend.

pastel green leaves, white daisies and topped with miniature bride and bridegroom, centered the bride's table.

The couple took a honeymoon trip to Yellowstone National Park.

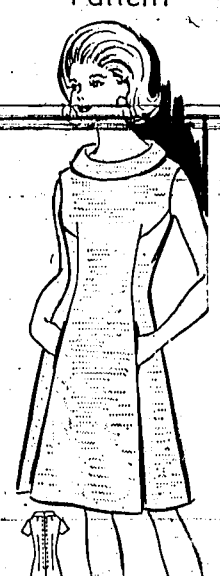

Mrs. N. Wood Reviews Book

DECO — "The Children of Hope" was reviewed by Mrs. Norman Wood when Deeco Book Lore club members met at her home.

Mrs. Wood told of the experience of a founding home in New York City and the love needed to bring out the problems of the orphans.

Special guests were Mrs. Mable Darrington and Mrs. Earl Darrington. Mrs. David Peterson is hostess for the meeting July 12.

have a favorite recipe, just mail it to the Recipe Department, Women's Page. The recipe here must be the property of the Times-News and cannot be returned.

Rhubarb Strawberry Jam
2 cups diced cooked rhubarb
2 1/2 cups uncooked strawberries
1 package pectin
1/2 cup lemon juice
Stir well and bring to a rolling boil. Stir in measured eight and three-fourths cups sugar. Stir in and bring to a full boil.
Cook for four minutes and cool for five minutes. Skim and seal in sterilized jars.
The Times-News will pay \$5 each week for the best recipe submitted for Magic Valley Favorites. If you

HEARD Ye!

with Ernest Michener

An old-timer is one who remembers when girls who had nothing to wear stayed home.

Outdoor, a sound heard 4 feet from it is only one-fourth as loud as it is at two feet. That's why it's easier to hear indoors, because sound "bounces" back and forth in an enclosed area.

The honeymoon is over when the husband gets out of the car at a drive-in movie to wipe off the windshield.

Can you hear better for two dollars? We've been getting some surprising results with an interesting little low cost hearing aid accessory from Maico called "ComfortPar Sound Governor". This tiny device looks like the flint from a cigarette lighter, and is used to control the sound pressure of a hearing aid, to give more comfortable sound. It's ideal in cases where the hearing aid seems to be "too loud" at times. It can be installed in minutes in any type or make of hearing aid, for less than two dollars. We'll send you a free folder describing this unusual device—or stop in for a demonstration.

DESSY BELLE SEZ:
Women's minds are cleaner than men's because they've changed so often.

Idaho News

PAY SALES TAX
BOISE (AP) — Idahoans paid \$25.6 million in sales tax in the first 11 months of its existence in the state, according to Tax Collector E. E. West.

West said that was the collection total at the end of May. Idaho businesses began collecting the tax last July 17.

Gov. Robert E. Smylie predicted the tax would yield \$58 million in the first two years when he asked the 1965 legislature to enact it.

BECOMES DIRECTOR
BOISE (AP) — Lt. Col. Charles M. Rountree, an Idaho Air National Guard and Air Force Reserve member, has been named as the new director of the Idaho State Department of Civil Defense and Disaster Relief.

Appointment of Rountree to replace the late Gen. Stewart McVey was announced Monday by Gov. Robert E. Smylie.

Rountree, of Boise, was commander of the 810th Replacement Training Squadron in the Idaho Military Department from 1952 to 1965.

PARTY INVESTIGATED
BOISE (AP) — Officers were continuing to investigate Monday a bench party involving 25 to 30 youths which ended with one of them beaten seriously.

Albert Luna, 20, of Boise, was reported in satisfactory condition in a hospital with bruises and cuts.

Officers said first reports indicated that Luna had been stabbed with a screwdriver. Investigation indicated, however, they said, that he had been kicked on the back and head.

ACCIDENTS OCCUR
NEW MEADOWS (AP) — A burned moving van and a car at the bottom of a 100-foot embankment five miles east of here after separate accidents in which no one was seriously injured.

State police said the moving van lost its brakes on the Good Creek Grade on State 15 Sunday and burst into flames as it went over the bank.

The driver, Theodor L. Kerkhof, 49, of Indianapolis, jumped from the truck onto the pavement and suffered minor injuries, officers said.

The car joined the truck in the canyon when Marion E. Bowman, 22, Weiser, stopped at the scene Monday.

While he was talking to a sheriff's deputy he saw his car begin to roll and then go over the side.

REVERSES DECISION
BOISE (AP) — The Idaho Supreme Court reversed a Bonanza County court decision Monday that a child had no voice in adoption of his children by their stepfather.

Victor Jones had appealed the lower court ruling that his consent to the adoption was not required because he had abandoned the children.

Jones said he maintained contact with the children although a disability prevented his contributing to their support after divorce and his former wife's remarriage to Eugene Lincoln Clayton.

The Supreme Court said under Idaho law children are abandoned unless a parent has specific intent to sever all correlative rights and duties to them.

ORDERS REDUCTION
BOISE (AP) — Judge Fred M. Taylor ordered a U.S. District Court Monday a reduction in the bond for a man charged with bank robbery in Idaho Falls.

Taylor set at \$10,000 the bond for Victor Jordan Smith, 47, who is accused of robbing the Skyline Branch of the First Security Bank in Idaho Falls May 27.

The bond originally was set at \$25,000.

An attorney for Smith contended his client was a businessman in Idaho Falls and that the higher bond was unreasonable.

TOUR BASE
MOUNTAIN HOME (AP) — Thirty foreign exchange students toured the Mountain Home Air Force Base Monday.

They are juniors and seniors in high school and have been attending school in this country during the past school year.

The students, during the year stayed with American families whose children may be doing the same thing in other countries.

The visit to the Mountain Home Base was part of a nationwide tour the students are making prior to their return to their own countries.

GROUND BROKEN
POCATELLO (AP) — Ground was broken Tuesday for phase one of a \$1.5 million addition and remodeling of Bannock Memorial Hospital.

About 100 persons were on hand for the occasion, marking the beginning of construction activities by the Brennan Construction Co.

R. D. Brennan, president of the construction firm, said work on the first phase should be completed by September or October, 1967.

Phase one includes repair of elevators, air conditioning of all but the patients' rooms and the building of new radiology, pathology, central supply, emergency department and a new entrance.

Brennan holds a \$71,022 contract for the job.

IN JOCKEY SCHOOL
KING HILL — Steve Parke, son of Mr. and Mrs. John Parke, is attending a jockey school at Holloway Park Race Track, Inglewood, Calif. He plans to be a jockey at the track.

DUTY TO GOD AWARDS were given to six youths in the Twin Falls Third Ward of the LDS Church by Bishop Melvin R. Cutler. From left, sitting, are Russell Sheen, Neil Christensen and Randy Hyman. Standing, from left, are Bishop

Cutler, Darrell Smith, Rick Higenbotham and Gilman Stanger. Prerequisites for receiving this award are at least four years of outstanding service to church and scouting. (Times-News photo)

Saves Cake
ABILENE, Kan. (AP) — How many brides save a piece of their wedding cake for 50 years?

Mrs. Dwight D. Eisenhower did.

Former President and Mrs. Eisenhower will observe their golden wedding anniversary July 1 and a piece of white cake—with the frosting still intact—from their wedding reception in Denver is carefully preserved in the Eisenhower library here. It is hard and virtually petrified.

This piece of wedding cake and several other items recalling the wedding of Ike and Mamie have been grouped in a special display as part of the 50th wedding anniversary observance at the library.

Tuition Tax Credits Are Proposed
BOISE (AP) — Tuition tax credits to low and middle income parents putting students through college was proposed Monday by Robert B. Purcell, director of the Idaho Department of Education.

Purcell proposed the direct exemption from federal income tax in an address to the Gen. State Kiwanis Club.

"Exemption of the tax credit program," he said, "would not only provide valuable aid to parents of college students, it also would reduce pressure upon existing federal programs now providing scholarships, loans and grants."

Purcell also criticized what he called efforts of the Johnson administration to cut back school milk and school lunch programs and aid to land grant colleges.

Charge Is Rejected by Physician
NEW YORK (AP) — One of the three doctors who issued an autopsy report on President John F. Kennedy after his assassination has denied a published charge that the report was altered by the Warren Commission.

In an article appearing in the current issue of Look magazine, retired Navy Cmdr. J. Thornton Bussard, who conducted the autopsy, rejected a charge made by Edward Jay Epstein in his newly published book, "Inquest."

Epstein wrote that the doctors' autopsy evidently was not the one issued in the commission's report.

He invited the commission to alter the autopsy report to accommodate a conclusion that one bullet passed through both Kennedy and Texas Gov. John Connally.

The author's theory is that there were two assassins.

However, Look says, Epstein questioned neither the doctors involved or the FBI and "is guilty of precisely what he lays at the door of the Warren Commission—a 'superficial' investigation."

WINS ART AWARD
BUHL — Mrs. Douglas Albertson, daughter-in-law of Mr. and Mrs. Bernard Albertson, Buhl, won top honors in the Cordova Art Festival, Rancho Cordova, Calif. Mrs. Albertson's oil painting was judged first in category and finally "Best of Show" with a purchasing price award of \$100. Mrs. Albertson, the former Daphne Nellis, was graduated from the College of Idaho, Caldwell, and has taught two years at Rancho Cordova high school.

Fire Scorches Brush Near Reno
RENO, Nev. (AP) — A 1,300-acre man-caused fire scorched the crackle-dry brush and timber foothills of Mt. Rose 10 miles southwest of Reno Monday.

Firemen battled through the night to contain the last uncontrollable thrust of the fire, in a steep, rocky, timbered area near White's Canyon.

The Nevada Division of Forestry said four homes were destroyed, ten autos burned and three pieces of fire-fighting equipment—two trucks and a bulldozer—believed lost.

Residents evacuated an estimated 30 homes. One man suffered minor burns on his arm, but no serious injury was reported.

No Complaint Filed in Case With Sinatra
BEVERLY HILLS, Calif. (AP) — Frederick R. Weisman is suffering retrograde amnesia and will not file a criminal complaint about a cocktail lounge disturbance involving Frank Sinatra, Weisman's lawyer says.

Weisman, 54, former president of Hunt Foods Inc., underwent cranial surgery after the June 8 disturbance and was released Saturday from Mt. Sinai Hospital.

Police interviewed Weisman earlier and Capt. John Hankins said the case was closed.

Weisman approached his lawyer, after complaining of too much noise, struck Sinatra. No one returned the punch, Sinatra said, but Weisman fell across a table to the floor.

Copier said Weisman remembers going to the cocktail lounge and recognizing Sinatra but has no memory of any other occurrence, not even approaching Sinatra's table.

Residents evacuated an estimated 30 homes. One man suffered minor burns on his arm, but no serious injury was reported.

Catholics Plan Summer Classes Here
A summer school of religion for the Catholic children of Spanish-American descent in the Twin Falls area will be sponsored by St. Edward's Church with classes beginning Wednesday.

The school will continue through July 8, with a holiday on the Fourth of July. The summer school will be held in the parish school.

Classes will begin at 9:30 A.M. and will end at 2:30 p.m. A hot lunch will be served in the school cafeteria at noon.

Most of the children who will attend live at the Twin Falls Labor Camp. To make it easier for them, a bus will pick them up at the camp every morning and return them there in the afternoon. Children who live in the city will be brought by parents.

The classes will be taught by Rev. William Wassmuth, dean assistant of the parish, and the Sisters of the Immaculate Heart of Mary, who staff the parish school. Some of the women of the parish also will help.

Over half of the children will make their first Holy Communion at the end of the summer school.

RETURNS AFTER VISIT
CASTLEFORD — John Heidel, son of Mr. and Mrs. Earl Heidel, Castleford, a graduate of Berkeley Baptist Divinity School, Berkeley, Calif., returned after visiting his parents, in San Jose, Calif., where he is negotiating for a position in the Congressional Church, California, in adult education and counseling psychotherapy.

Shooting Of "Voyage" Is Resumed

Co-stars Richard Basehart and David Hedison reported to work yesterday (20) as ABC-TV's "Voyage to the Bottom of the Sea" resumed shooting at 20th Century-Fox Studios in Beverly Hills, Calif.

The first episode to be filmed for the 1967 season "Monsters From the Inferno" by Rik Vollaerts. Guest-starring in the episode is Arthur Hill, who flew in from New York to play the role of Lindsay. The story concerns a seaview crewmember whose brain is inhabited by an alien force.

Returning in their regular roles are Bob Dowdell as Chip Morton, Del Monroe as Kowalski and Terry Becker as Chief Stacey. "Voyage" begins its third season, the second in color.

Marlo Thomas Stars in "That Girl"

Everything came up daisies as "That Girl," new ABC-TV color comedy starring Marlo Thomas in the title role, started production at Desilu-Cathleen Studios in Hollywood.

Each actor and actress appearing in the segment, "Break a Leg," scripted by Jim Parker and Arnold Margolin, was gifted with a spectacular arrangement of the flowers — Miss Thomas' Productions derived. Similar floral tributes for Marlo, daughter of comedian Danny Thomas, continued to arrive throughout the day from well-wishers.

Present on the sound stage through the day's shooting was the top creative team of Bill Persky and Sam Denoff, series creators and executive producers of the series, and producer Jerry Davis, directing the episode.

In addition to Miss Thomas as Ann Marie, the series cast includes Ted Bessell, George Carlin, Bonnie Scott, Lew Parker and Dabney Coleman. Guesting in "Break a Leg" is Sally Kellerman.

"That Girl" is the story of a young girl who wants to be independent and goes to New York to work as an actress when possible and at a variety of jobs between roles.

The half-hour series, produced by Daisy Productions, will air Thursdays, 9:30-10 p.m. PDT, following "Bewitched," beginning in September.

Survivor Is Rescued in Show

The lone survivor of a whaling vessel wrecked by a gargantuan whale is rescued by the crew of the Seaview, on "Voyage to the Bottom of the Sea" in color Sunday, July 17 (ABC-TV, 7:30 p.m., PDT).

After the rescue, in "The Shape of Doom," the Seaview sails to where it is to plant an underwater nuclear device for blasting a new waterway. The monster whale swallows the device as it is lowered, and the "living bomb" heads out to the area where the U.S. presidential vessel is located for the historic explosion.

STARS AS ARCHITECT
Peter Deuel, starring as the struggling young architect on ABC-TV's upcoming comedy-romance series, "Love on a Roof," (premiering Sept. 13), should have become a doctor rather than an actor. His father, grandfather, great-grandfather, two cousins and two great-uncles were doctors.

Tuesday, June 28, 1966

"CONTINENTAL SHOWCASE," new European-produced musical-variety series, features notable production numbers filmed on location. This one spotlights Sadi, seated, drummer-singer of Henry Segers' big swing band from Belgium, blasting out a hot tune at an automobile junkyard near an airport, on the "Continental Showcase" Saturday, July 8 on CBS.

Women's Golf Tournament To Be Shown

The 21st U.S. Women's Open Championship, the world's leading golf tournament for women, will be televised live by ABC Sunday, July 3, 2 p.m., PDT. It was announced today by Ronald Arledge, vice president and executive producer of ABC Sports, and Joseph C. Day, executive director of the United States Golf Association.

Chris Schenkel, Bill Flemming and former golfing great Byron Nelson will be the commentators for the ABC-TV coverage of the fourth and final round of play at the Hazeltine National Golf Club, Chaska, Minn.

Viewers will see action on the final three holes of play on the par-72, 6,325-yard course. A product of architect Robert Trent Jones, the course is not appreciably longer than most women's professional tournament layouts, so the long hitters will not have an advantage. Doglegs are common, seven holes feature water and four have hazards and traps close to the green.

The difficult 17th hole features water hazards on both sides of the green, and trees on both sides of the winding fairway make for a very narrow approach. Trees hanging over the narrowest part of the 18th fairway also will test even the straightest of hitters on the par-3 hole.

Carol Munn, the defending champion, and Mickey Wright, four-time U.S. Women's Open winner, will be favored in the event. Betsy Rawls, the only other four-time winner, is a possible entrant and must be considered a strong contender.

Other top women stars expected to participate include two-time U.S. Open champion Louise Suggs, 1963 winner Mary Mills, 1962 winner Muriel Lindstrom, and Ruth Jessen, runner-up twice in the last five years. Miss Jessen suffered a heart-breaking playoff defeat at the hands of Mickey Wright in 1964.

Prior to 1953, the \$20,000 U.S.A. sponsored tournament was conducted by the Women's Professional Golfers' Association and the Ladies' Professional Golf Association. This will be the first time that the U.S.

Women's Open will be played on the Hazeltine course, but it will be the second time it has been held in Minnesota.

Kathy Cornelius, runner-up to defending champion Carol Munn at Atlantic City, won the Open when it was played in Duluth in 1956. Mrs. Cornelius also is expected to participate in 1966.

No amateur has ever won the tournament, but in that same 1956 tourney, amateur Barbara McIntire tied Mrs. Cornelius, only to lose in an 18-hole playoff.

Par and yardage on the final five holes follow: 14th — par 4, 300 yards; 15th — par 5, 495 yards; 16th — par 3, 178 yards; 17th — par 4, 310 yards; and 18th — par 4, 355 yards.

Chet Forte will produce and Mac Hemion direct the coverage for ABC-TV.

Aldo Ray Gets Role in Western

HOLLYWOOD — Aldo Ray has been signed for a major role in MGM's "Welcome to Hard Times," the Max E. Youngstein-David Karr production starring Henry Fonda, Rita Hayworth and Keenan Wynn.

Ray, who recently completed "What Did You Do in the War, Daddy?" will portray the villainous Man from Bodie in the period western drama. The actor's previous screen credits include starring roles in "We're No Angels," "Miss Sadie Thompson," with Rita Hayworth, "God's Little Acre," and "Sylvia."

Based on the popular novel by E. L. Doctorow, "Welcome to Hard Times" is scheduled to begin production on July 25. Burt Kennedy will direct in Panavision and Metrocolor from his own screenplay.

DISPLAYS FASHIONS
A promise for Tammy Grimes: On her new ABC-TV comedy series, "The Tammy Grimes Show" (bowing Sept. 15), the Broadway star ("The Unsinkable Molly Brown") will parade before the cameras each week the most extensive selection of ultra-modern, mod, wild and kooky fashions ever seen on television.

STARS AS SERGEANT
Christopher George, starring as Sgt. Sam Troy on ABC-TV's new, high-adventure series, "The Rat Patrol" (premiering Sept. 12), is a Marine veteran and firearms expert. Following World War II he worked out of Miami on a converted Canadian gunboat, transporting trade items throughout the Caribbean.

Summer Television Schedule Has Viewers Seeing Double

NEW YORK (NEA) — Stop knocking summer television. Soon it will offer regular warm weather employment to four funny men — Johnny Wayne, Frank Shuster, Dan Rowan and Dick Martin, better known when their names are linked to form a pair of comedy teams.

Rowan and Martin will handle The Dean Martin Summer Show on NBC-TV. It's not being called The Rowan and Martin Show or Dino Presents Rowan and Martin (Dean's choice) because, contractually, NBC has the right to use Dean Martin's name all year long.

Wayne and Shuster Take an Affectionate Look At — is the name of the Canadian comic's CBS-TV show, which moves into the Trials of O'Brien time slot.

Rowan and Martin even split up now and then, so Dick Martin can work alone. He played Lucille Ball's friend in several episodes of her series one year, and he appears in Doris Day's latest film, "The Glass Bottom Boat."

They don't have problems such as these in the old Betty Grable-Dan Dailey movies, where one partner has to tell the other he isn't wanted. "Besides," Dan Rowan smiled, "I always remember that the one who goes to the top always winds up in the Bowery, a bum."

"I never thought of that," Dick Martin said.

There are several regular features Rowan and Martin will use: an improvisation, a spy routine in which they meet on a street corner to sing their assignments ("I Take Him Out to the Ball Game"), a salute to the Big Band era, and a regular cast composed of Don DeLuise, Lainie Kazan, Wisa O'Rosso, Les Brown and Judi Rolin.

"We only used three guests all season," Rowan said, "and we think the average is pretty high. There are a couple that, if you had something else to do, you could miss. There are a couple I would insist on your seeing. We are not ashamed of any. So, you see, you have to watch them all."

Wayne and Shuster's show, in which they take a look at the comedy talents of people like Hope and Crosby (their premiere program), Jack Benny,

W. C. Fields, the Marx Brothers, Mae West, already has had a successful run in their native Canada, as well as Australia, New Zealand and Hong Kong.

"We have a very good Chinese Nielsen," Johnny Wayne says.

"The key to the show," Wayne says, "is the word affection. We are against the current put-down style in which everyone has feet of clay and, if you believe in justice, you're Batman and you stink and are to be laughed at. This is an unabashedly sentimental look at some guys we think are great."

It took Johnny and Frank about a month to put together each of the shows. First they screened all the available film material.

Then, when they decided what clips to use, they sat down to write the script.

"We are not smartly uniformed guides for this filmed material," Johnny said. "We're not trying to be critics."

"The original concept of the show was 50 per cent us and 50 per cent those we honor," Frank said.

"But we got it to 90 per cent them and 10 per cent us," Johnny said. "And we're leaving the country and going back to Canada before the show is on, so we can claim political asylum."

Makes Discovery

Bud discovers there are disadvantages to being tutored in English by the best-looking girl in school, in "Love and Learn" on "Father Knows Best" Monday, July 4 (ABC-TV, 12:30 p.m. PDT).

Robert Young and Jane Wyatt star as Jim and Margaret Anderson. The Anderson young people are played by Elenor Donahue (Betty), Lauren Chapin (Kathy) and Billy Gray (Bud).

STARS AS SERGEANT
Christopher George, starring as Sgt. Sam Troy on ABC-TV's new, high-adventure series, "The Rat Patrol" (premiering Sept. 12), is a Marine veteran and firearms expert. Following World War II he worked out of Miami on a converted Canadian gunboat, transporting trade items throughout the Caribbean.

"Batman" Is Popular With Guest Stars

Among the most sought-after guest-starring assignments on television last season were the larger-than-life characterizations of the Bat-villains who plagued Gotham City, its crime czar, the law enforcement arm and those courageous, incorruptible, unconquerable Caped Crusaders, Batman and Robin.

According to Bill Dozier, executive producer of ABC-TV's "Batman" series, the reason for their irresistible appeal to actors is the opportunity "to play each of these roles to the outermost extremity of its potential."

The Bat-villain roster on the series has included Frank Gorshin (The Riddler), Cesar Romero (The Joker), Burgess Meredith (The Penguin), Roddy McDowall (The Catwoman), Julie Newmar (The Catwoman), David Wayne (The Mad Hatter), Victor Buono (King Tut), Anne Baxter (Zelda the Witch), and George Sanders (Mr. Freeze).

Many of these baddies will be back to badger Batman next season. This assemblage of evildoers will be augmented by an infusion of new bad blood for the new season, producer Dozier announced recently. Diabolical deeds and ingenious infamy can be expected from Art Carney, Robert Morley, Guy Preminger, Walter Slezak, Liberace, Van Johnson and Shelly Winters, with more malefactors skulking in the wings.

John Wayne Is Starring In ABC Movie

John Wayne stars with Stuart Whitman, Jua Balin, Nehemiah Persoff, and Academy Award-winner Lee Marvin in "The Comancheros," the 1961 Western drama about an adventurer, a gambler and a gypsy beauty, in the first in a series of repeat presentations collocated on "The ABC Wednesday Night Movie" Wednesday, July 20 (9-11 p.m., PDT).

Captain Jake Cutter, a Texas Ranger, is assigned to join the ranks of the band of Comancheros who are supplying Indians with guns and whiskey. Opposing the plan to turn the renegades against one another is gambler-gunsman Paul Regret, ruthless gang leader Graile, his daughter, Pilar, and gun-runner Tully Crow.

Chaos Reigns On "Bewitched"

Paul Lynde guests as Samantha's joshing Uncle Arthur whose visit causes chaos on ABC-TV's "Bewitched" Thursday, July 7 (9-10 p.m., PDT). In "The Joker Is a Card," Darrin and Endora are beginning to show signs of mutual respect until Uncle Arthur arrives and makes his sister the butt of one of his jags. When the prank is enjoyed by Darrin, Endora's fury mounts and Samantha sides with her.

Baron Pursues Jewel Thief

When the fabulous Fabergé miniature is stolen from John Manninger's antique shop in London, The Baron goes behind the Iron Curtain, on ABC-TV's "The Baron" in color Thursday, July 7 (10-11 p.m., PDT). Manninger's search for the thief, lovely Eva Dumel, ends before it begins as he is kidnapped and impressed into service by British Diplomatic Intelligence.

Highlights for Week Promising Specials

9 p.m. Thursday, 25L, 7B, 8, 11—London Palladium (c). Jonathan Winters hosts this variety show from London's Palladium Theater. Guests include Millicent Martin, Michael Bentine and Frank Ifield. 4:30 p.m., 25L—America the Beautiful (c). This colorful documentary produced by NBC will offer viewers a first hand glimpse of what is happening to our natural resources. 8:30 p.m. Tuesday, 2B—LSD, the Spring Grove Experiment. This CBS news special will take viewers into the land of the drug LSD.

Best Bets for Movies

7 p.m., Thursday, 2B, 3—"The Bramble Bush" (c). This 1960 movie stars Richard Burton, Barbara Rush, Jack Carson, Angie Dickinson and Frank Conroy. The all-star cast portrays the story of young doctor returning to his New England home town to care for a dying boyhood friend, only to become involved with the man's wife. It is based on a novel by Charles Merzall. 10:55 p.m. Friday, 2B—"April in Paris" (c). (1953), in a case of mistaken identity, chorus girl Dynamite Jackson (Doris Day) has been invited to represent the American theater at the Paris Festival. Costarring in this laugh-filled hit are Ray Bolger and Claude Dauphin.

2 Events Will Be Featured On "Wide World of Sports"

The Langhorne 100 Stock Car Race from Langhorne, Pa., will be telecast in color on "ABC's Wide World of Sports" Saturday, July 2 (5:30-6:30 p.m. PDT), along with the National AAU Track and Field Championships from Randall's Island, N.Y. Mario Andretti, U.S. Auto

New Comedy Show Starts Production

"The Fruits of Southampton," new ABC-TV high comedy series starring Phyllis Diller as Phyllis Pruitt, started production with the comedienne in handcluffs at General Service Studios, Hollywood.

Appearing with Miss Diller before the cameras in the segment "Phyllis Beats the Rap," are series regulars Reginald Gardiner and Grady Sutton, and Jonathan Hole, Judson Pratt and Eddie Quillan. Lisa Loring will play Susan Pruitt in future episodes.

In her first TV comedy series, Miss Diller combines high society airs with zanyness as the head of a socially prominent family trying to live as normal a life as possible despite the fact that they are broke and heavily in debt to the government.

"Phyllis Beats the Rap" was written by Roy Kammernman and Sid Mandel, and is directed by Richard Bare.

The series is produced by Filmways TV Productions, Inc., with David Levy as executive producer and creator of the series concept, and Nat Perrin as producer.

"The Fruits of Southampton" will air Tuesdays, 9-9:30 p.m. EDT, beginning in September.

Emerson Upset, Ralston Wins in Wimbledon Meet

WIMBLEDON, England (AP)—Roy Emerson's hopes of being the first man in 30 years to win three Wimbledon titles in a row came to an abrupt halt Monday when he skidded on the slippery center court and fell heavily against the umpire's chair. Emerson, the top seed from Australia and winner here the past two years, strained a ligament in his left shoulder and lost to fellow-Australian Owen Davidson, 1-6, 6-3, 6-4, 6-4. The unseeded victor advanced to Wednesday's semifinals.

Sports

FROM ALL ANGLES

By BOB MAGEE

The accident in the second race of the sixth annual Rupert Street Race Sunday provides a good example of what protective clothing and equipment can and cannot do to protect an individual in an accident at a very high speed.

LaMont (Monday) Holmes, 30, of Ogden experienced steering failure on a curve at an approximately 70 mph (it could have been faster as his throttle was believed stuck).

Holmes started to turn the kart over coming down the straightaway from the corner of the square. But he "kept getting closer and closer to the wall."

After he crossed the hump in the center of the road it was impossible to stop the kart. It struck the curb and went flying into a plate glass window on the front of the Idaho Department Store.

Neither Holmes nor his kart continued through the quarter-inch thick window. Both dropped back to the sidewalk. Two windows were shattered and one cracked.

Now the part about his protective equipment, namely his helmet, with a plastic "bubble" covering his face, and a neck harness. Both could and probably did save his life. He kept his head on the brick wall at the edge of the window, but his helmet absorbed the shock and his neck harness kept his neck from breaking. Holmes received no head or facial cuts or bruises and, miraculously, no broken bones.

His only injuries were received when his leather coat was hit back as he was flying.

Mike Taylor of Brigham Young University won 10th place Saturday in the National Collegiate Athletic Association golf championships.

Taylor, with a total score of 292, was tied with five others nine strokes behind winner Bob Murphy of Florida.

The four-round, championship was played on the 6,835-yard course.

Taylor's scores were 76-73-74-69—that 69 being the second lowest round fired during the final day of play.

Unknown to this corner before now (and it comes as quite a surprise), it is that it is illegal under International Kart Federation rules to have a roll bar or seat belts on a kart. After a little thought a person can see why. It is safer to get out, rather than to ride an open-bodied vehicle such as that while it is rolling or turning end over end.

A little bit about Holmes' kart. It was made by Bug Engineering of Azusa, Calif., and is a 1966 model. He had recently put some \$600 into modification of the engine, a McCulloch "40," and some \$80 into two chrome gas tanks.

The California company is now looking into the reason for his steering shaft crystallizing, meanwhile hoping it is an isolated case.

Holmes was running on alcohol fuel (thank goodness, gasoline could possibly have exploded when he crashed) and could attain a speed of 71.6 mph at 12,000 rpm. If the throttle was stuck, as believed, his engine could have run up to 15,000 rpm—getting close to 90.

All-in-all it's lucky he is alive today. He was probably the only entrant in the race wearing a neck harness, and that was because of a spinal operation he underwent earlier in the year.

Mini-Cassia Karting Association President Bill Schoen told this corner Monday that next year's race is already in the planning stage.

Steps will be taken to make it a safer race, according to Schoen. He expects such actions as track modification, crowd control and a speed limit to result from upcoming meetings.

After six years with only one driver seriously injured, it would be folly to quit, although safety improvements could and should be made each year.

At this point, Koufax wrote in Look he was ready to make some concessions to the ailing limb.

"Our goal was to keep the arm in good enough shape so that I could pitch seven or eight times before it blew up. So I'd have to miss a turn. This was the best we hoped for—that I could get away with missing only one turn every month."

Koufax, however, is philosophical about the disability that almost ended his baseball career. As Sandy sees it, he has been blessed with unusually long arms, large hands and long fingers, which help him to throw harder and to put an extra spin on his curve.

"My arm is a pretty good catapult," he said. "It is a catapult with a hinge, however, and the extra speed and added thrust put the hinge under enormous pressure. Since I have accepted all the advantages of the build, I don't see how I can complain when the Lord gives and the Lord taketh away."

The Dodger pitcher noted that his ailment resulted in a sort of embarrassment of riches in 1965 when he won 26 games and completed 27 after finding out that the best way for him to

U.S. Track Team Is Loaded With 60 Men

NEW YORK (AP)—American track officials, eager to avenge last year's stunning upset by the Russian team in Kiev, loaded up the men's track and field team Monday with 60 athletes. Two decathlon stars remain to be picked. Illness and injuries hurt the Yanks when they lost to the Russians in 1965 for the first time, 118-112, after winning the first six meets. The Amateur Athletic Union's men's track and field committee added ailing Gerry Lindgren, the distance runner, star from Washington State, and Tommie Smith, the injured sprinter from San Jose State to the squad.

Ailing Track Stars Given Shot at Berth

LOS ANGELES (AP)—Ailing track stars Gerry Lindgren of Washington State University and Tommie Smith of San Jose State (Calif.) State were offered second chances Monday to compete in the upcoming United States meets with Russia and Poland.

Stan Wright, coach of the American squad, told a Los Angeles luncheon audience in a telephone interview that Lindgren and Smith could nail down running slots by outstanding performances July 9 in the invitational tournament at nearby Santa Monica.

Lindgren, a distance runner, and Smith, a dash and relay man, missed qualifications for the Russian and Poland meets when Lindgren's sore throat and Smith's bad leg kept them out of the weekend National AAU meet.

But Wright named the two outstanding runners to his team anyway and then announced they could perform if they turn in good times in Santa Monica. The Americans must beat the USSR in Los Angeles July 23-24.

Cowboys Rap Idaho Falls 9-2 for First Victory of '66 Pioneer Loop Season

IDAHO FALLS, (AP) — Magic Valley salvaged the third and final game of an opening series of the Pioneer League season here Monday night by containing the Idaho Falls Angels and picking up a 9-2 victory. The bottom of the Magic Valley order provided the batting punch with Charles Peet collecting two hits and driving home three runs, including a two-run triple in the fifth inning. Mike Tyler had a two-run homer over the left field wall in the fifth, one of his three hits. The Cowboys unloaded six runs in the fifth to lock up the victory after two were out and Idaho Falls first baseman Paul Campbell dropped a throw-on-an-infield grounder to second baseman Scott Morey.

Come 'n Goes

Perry Runs, Wins Like Mate Marichal

Gaylord Perry is running like Juan Marichal and winning like him too. Perry continued his sprint toward teammate Marichal and Los Angeles' Sandy Koufax Sunday, pitching a two-hitter as the National League-leading San Francisco Giants stopped Cincinnati's eight-game winning streak 10-0.

The victory was the 10th against one defeat for Perry, giving him a .909 percentage, the best among the league's top pitchers. Marichal, at 13-2, has an .887 mark while Koufax, who posted his 14th triumph against the Reds Sunday, is at .875.

In running toward the best of his five-year major league career, Perry has picked up one of Marichal's habits. Instead of plodding slowly to the mound each inning as virtually all pitchers do, Marichal runs.

Perry did it Sunday, except for the last couple of innings, despite 94-degree weather and a weak left ankle.

"I want to work extra hard to stay in rotation," Perry explained. "I want to try and impress Herman Franks."

Perry undoubtedly has impressed Manager Franks — and all of the other managers in the league.

The 27-year-old, right-hander has accomplished half a 20-game season even though he missed nearly three weeks after hurting his left ankle sliding into second base May 24.

While Perry stymied the Reds, the Giants exploded with five home runs — two by Tom Haller and one each by Jim Davenport, Don Landrum and Jim Hart. Jim Maloney suffered his third defeat. He has won nine.

Sauter Shines In Rexburg Golf Pro-Am

REXBURG, Idaho (AP) — Former major league baseball star, Hank Sauter, tied for top amateur score with two others Monday in the Rexburg Pro-Am Golf Tournament.

The former outfielder for the Chicago Cubs shot a two-under par 68 to tie Kent Vernon of St. Anthony and Norm Jorgensen of Rigby.

The winning professional golfers were John Drips of Pocatello and Ken Sparks of Nampa. They both shot four-under par 66s. Second with 67s were Lloyd Harris of Mountain Home and Leggy Stroup of Boise.

Vernon had shot a course record of 64 Sunday to win the annual amateur tournament.

The other major league great entered as an amateur in the tournament Monday was pitcher Carl Hubbell. He shot a 77.

Some 19 professionals and 80 amateurs entered Monday's tournament.

Rose Sparks Redlegs Past Dodgers 3-1

CINCINNATI (AP) — Pete Rose sparked a two-run first-inning rally with a double and John Edwards homered in the second as Cincinnati defeated the Los Angeles Dodgers 3-1 Monday night.

Milt Pappas scattered eight hits before he was forced to leave in the eighth inning when he hurt his foot in a play at first base. Billy McCool preserved the victory for Pappas, his seventh against five defeats.

After the Dodgers scored in the first, the Reds bounced back for two runs in their half of the inning before an out was made. Los Angeles 100 000 000—1 9 0 Cincinnati 210 000 000—3 11 0

Powell Starts To Hit Like Robinsons

By The Associated Press

His name isn't Robinson, but Boog Powell is hitting like one.

Powell, who hasn't been getting the same recognition accorded Frank and Brooks Robinson in Baltimore's run for the American League pennant, again emphasized his resemblance to the Robinsons in his 10th home run Sunday.

And the way he's been going recently, the 24-year-old slugger first baseman may be ready to claim an equal share with the Robinsons in the Orioles' power structure.

At this time last month, Powell was hitting a woful .185. Since then he has hit at a .402 clip while hammering nine homers and 30 runs batted in. The month-long burst has lifted his totals to where they bear favorable comparison with the more publicized Robinsons.

Geoffrion Sold To NHL Rangers

NEW YORK (AP) — The New York Rangers obtained Bernie Geoffrion from the Montreal Canadiens for the \$30,000 waiver price Monday and the former high-scoring right winger will come out of retirement to play in the National Hockey League after a two-year absence.

Geoffrion, 35, was a nonplaying coach for Quebec of the American Hockey League the past two seasons. While playing for the Canadiens from 1950-51 through 1963-64, he scored 371 goals and is the fifth highest scorer in NHL history.

WRITHING IN PAIN, Los Angeles Dodger catcher John Roseboro was down back of home plate in the first inning of a game with Cincinnati after being hit in the right knee by a foul tip off the bat of Doron Johnson. Leaning over Roseboro are Dodger pitcher Joe Moeller and Umpire Al Barlick as Los Angeles Trainer William Buhler races in to assist. Roseboro left the game which was won by Cincinnati 3-1. (AP wirephoto)

Rose Sparks Redlegs Past Dodgers 3-1

CINCINNATI (AP) — Pete Rose sparked a two-run first-inning rally with a double and John Edwards homered in the second as Cincinnati defeated the Los Angeles Dodgers 3-1 Monday night.

Ogden Drops Caldwell in Loop Play

OGDEN (AP) — The Ogden Dodgers defeated the Caldwell Cubs 7-2 in a Pioneer League baseball game Monday night.

It was the first league victory for the Dodgers. This was the final contest in a three-game series between the two teams. Caldwell won the first game 10-6 and the second game was called after nine innings and the score tied 9-9 because of a league curfew.

Six walks in the seventh inning forced three Ogden runs across the plate. A single to short left field by Ogden catcher Spike Pierce, brought in two more tallies as Ogden scored five runs to take a 5-2 lead.

In the first inning, Caldwell's Fred Rodriguez hit a triple to left center. Tom Whelan followed with a ground ball to the third baseman allowing Rodriguez to score. Jeff Rude scored when Elby Bushong doubled.

Ogden completed the scoring in the eighth inning when Dole Patton tripled into right center with the bases loaded to drive in two runs.

Ken Raab picked up the win for Ogden and Gary Bensen was tagged with the loss.

Birdie!

MELBOURNE, Australia (AP) — Stan Ely thinks golf is for the birds.

Crows took two of his golf balls after he played shots on the fifth hole Sunday at Leongatha.

As he was about to drive on the seventh hole he was distracted when a kookaburra (laughing jackass bird) started to laugh from a nearby tree. Ely duffed the shot. About to play his third shot at the seventh the kookaburra laughed again. And Ely duffed again.

Finally he got the ball onto the green. Out of the tree came the kookaburra. It picked up the ball and flew off.

Terrell Gets Chance for Money And Recognition in Title Bout

HOUSTON, Tex. (AP) — Ernie Terrell, long frustrated in his bid for recognition and money, gets another chance here Tuesday night when he puts his World Boxing Association heavyweight title on the line against Doug Jones. His biggest payday previously was about \$45,000 for the successful defense of his title against George Chuvalo in Toronto last November. But Tuesday night the 6-foot-6 Terrell hopes to draw around \$265,000 from the live gate and from closed circuit television in 67 cities that will provide 100 outlets.

Terrell is a 6-5 favorite to defeat Jones, who lost a close decision to the late Jack Dempsey in 1926.

Jones also lost to Eddie Machen, the man Terrell won the WBA title from, but he says Terrell's jabbing left — his main weapon — doesn't worry him.

Terrell, on the other hand, expects to "beat him bad."

Terrell was 14 when he started boxing in amateur tournaments. By 1955 he had won the international Golden Gloves championship and the next year he won his pro debut with a four-round decision over Norman Bolden of Chicago.

In his first 21 bouts Terrell lost only two. A couple of years later, on April 3, 1962, he was stopped by Cleveland Williams of Houston.

Williams, who shares the card Tuesday night in a 10-rounder with Carl Herring, picks Terrell to win.

He has the reach and the height advantage," Williams said.

Jones began boxing in the Air Force and lost in the 1956 Olympic tryout finals to Roger Rouse.

He fought Cassius Clay on March 13, 1963, Madison Square Garden and lost a highly disputed decision. Jones insists he defeated Clay and wants another go at Clay who is not sanctioned by the WBA but is generally regarded as the world champion.

"There's only one way for me to get to Clay and that is to whip Terrell," Jones said. "Clay has ducked me constantly for two years since I beat him."

Idaho Gets Funds For Wildlife

WASHINGTON (AP) — Allocation of \$330,777 to Idaho for fish and wildlife restoration work in the fiscal year beginning July 1 was reported today by the offices of Sen. Frank Church and Rep. Crampton I. White, Idaho democrats.

Of the total, \$50,877 is for fish restoration and \$279,900 for wildlife restoration; the announcement said.

The federal funds come from federal excise taxes on firearms, fishing rods and other hunting and fishing equipment.

Clemente-Led Pirates Whip Houston 8-5

PITTSBURGH (AP) — Roberto Clemente rapped three key hits, leading an 11-hit attack, as the Pittsburgh Pirates whipped Houston 8-5 Monday night.

Steve Blass, who capped a five-run outburst in the seventh inning with a two-run single, gained his sixth victory against one defeat although he needed relief help in the ninth from Roy Face.

The three-hit performance raised Clemente's National League-leading batting average to .332.

Andretti to Try Hand at Stock Cars

ATLANTA (AP) — After 500 consecutive miles as a front-runner in U.S. Auto Club races, Mario Andretti is ready to turn his fine Italian hand to the wheel of a stock car.

The 26-year-old native of Treviso, Italy, led all the way Sunday in winning the second annual Championship 300 at Atlanta International Raceway in his sleek Denny Racing Enterprises rear-engine Ford.

His victory came on top of two straight USAC wins at Milwaukee and Langhorne, both of which he led from start to finish. This is the first time in USAC history a driver had led 500 consecutive miles.

"This is the tired old I've seen after a race," Andretti said, adding that the 90-degree heat which simmered over the 1½-mile high-banked asphalt Atlanta Raceway was troublesome.

But he's ready to take over the wheel of a Dodge Charger in next week's Firecracker 500 at Daytona Beach, Fla. "It's a good car," he said.

Andretti, who now lives at Nazareth, Pa., had nothing but praise for the rear-engine Ford he drove in the Atlanta race. "The car is just beautifully," he said. "Thank God for the mechanics."

Andretti made only one pit stop in the 300-mile race and his mechanics got him back on the track after only 22 seconds. He pitted shortly after the halfway point on the 14th lap.

He finished a lap ahead of Billy Foster of Victoria, B.C., who also drove a rear-engine Ford, and also drove a rear-engine Ford, who finished fourth.

Today's Market and Financial Report

Stocks

NEW YORK (AP)—The stock market closed lower today for the second consecutive session. Prices recovered somewhat near the close and some losses were turned into gains. A number of issues in the averages continued to show sharp losses.

Trading was moderately active. Aircraft, electronics and airlines made a late comeback. Boeing gained a point, Zenith and Sperry Rand advanced about half a point and Pan American World Airways, American Airlines and Eastern Air Lines were up more than a point.

General Electric slumped more than 4 points, Westinghouse fell more than 3 and DuPont was down 2.

Volume for the day was estimated at 6.3 million shares, compared with 5.55 million Monday.

Brokers and investors were worried about tight money and rising interest rates.

There was the picture near the close.

The market opened on a decline, recovered a bit around midday and then deepened its losses.

Jersey Standard declined 1 1/2 to 65 1/2 on a big block of 92,000 shares.

Steels were weak and U.S. Steel and Republic took losses of around half a point. Motors also eased, General Motors and American Motors losing fractions.

Aircraft continued under pressure. United Aircraft dropped more than 2 points.

Sperry Rand was active and off about a half point.

Fairchild Camera slumped pressure. United Aircraft dropped more than 4 points and Xerox was down 6.

Eastman Kodak and Westinghouse declined more than 2 points and helped drag down the averages.

General Electric fell 5 points. Prices declined in heavy trading on the American Stock Exchange.

MARKETS AT A GLANCE

NEW YORK (AP)—

Stocks — Lower, moderate trading.

Wheat — Higher, light trading.

Chicago — Weak, active late selling.

Corn — Weak, profit cashing.

Oats — Lower with corn.

Soybeans — Lower, new crop months weak.

Hogs — Steady to 50 cents lower.

Slaughter steers — Steady to 25 cents lower, top \$23.25.

Grain

CHICAGO (AP) — Soybean futures were quiet, with a little activity at times today in a choppy trade but prices tilted mostly toward weakness with setbacks ranging to more than six cents in spots in the early afternoon.

The grains also came under steady and moderately active selling on a favorable crop report.

Rainfall overnight in much of the major producing area and a report that the government had sold a large quantity of corn impaired weakness to that grain.

Carlot receipts were estimated at: wheat 12 cars, corn 140, oats 3, rye none, barley 0, soybeans 1.

PORTLAND

PORTLAND (AP) — June 28 close Portland Grain Exchange: Wheat (bid) to arrive market.

No. 1 bulk, 20-day shipment, delivered carlot: White 1.67 1/2; Soft White 1.68; White Club 1.70.

Barley (bid) to arrive market, 20-day shipment delivered coast: No. 2, 45 lb western 51.00, No. 2, 2-row or 2-row western 51.00.

Coarse grain wholesale, prompt delivery, bulk ton, f.o.b. track Portland: Corn, No. 2, yellow, eastern 50.50, No. 2, yellow, 50.50-51.00, barley 50.50-51.00, rye 51.00-51.50, grain sorghum, free market, 51.50-51.75, grain sorghum, ex-CC 53.70.

Car receipts: Wheat 41; flour 1; corn 4; grain sorghum (milo) 4; millfeed 2.

CASH GRAIN

CHICAGO (AP) — Wheat No. 2 hard 1.88 1/2; No. 2 red 1.84 1/2; Corn No. 2 yellow 1.37 1/2-38; Oats No. 2 heavy white 77 1/2-78; Soybeans No. 1 yellow 3.67 1/2-38.

Soybean oil 11.70. Wheat closed 4 to 5 cents a bushel lower, July 1.70 1/2-1 1/4; corn 1/2-3/4 lower, July 1.35 1/2-1 1/4; oats 1/2-3/4 lower, July 73 1/2-74; soybeans 1/4-1/2 lower, July 3.64 1/2-38.

Livestock

PORTLAND (AP) — Cattle and calves 500; slaughter steers steady to weak; hogs weak to 25 lower; cows held steady to strong; bulls fully steady; not enough others sold by 10 a.m. to test trends.

Monday feeders closed weak to 50 lower; slaughter steers mostly choice 85-117 lb 20.50-20.70; heifers mostly choice 74-87 lb 24.50-24.85; cows utility 15-16 to 16.75; bulls utility and commercial 21.75-23.25; feeders steers good and low choice 85-100 lb 21.25-22.50.

Hogs No report early. Sheep late Monday, 1,000; slaughter spring lambs steady to 25 lower; feeder spring lambs steady; ewes steady to 50 lower feeder spring lambs choice and fancy 90-98 lb 20.50-21.30; slaughter steers choice 85-117 lb 20.50-20.70; heifers mostly choice 74-87 lb 24.50-24.85; cows utility 15-16 to 16.75; bulls utility and commercial 21.75-23.25; feeders steers good and low choice 85-100 lb 21.25-22.50.

Carlot receipts were estimated at: wheat 12 cars, corn 140, oats 3, rye none, barley 0, soybeans 1.

The following quotations were provided by E. W. McRoberts and Co., Twin Falls.

High low close cont. Nov. 2.29 2.25 2.26 2.24; March 2.23 2.24 2.25 2.20; April 2.76 2.68 2.73 2.70; May 2.90 2.80 2.95 2.92.

Let's say you bought 10 shares of GM stock, at six different times, for a total of 60 shares. You have a different cost basis on each 10-share lot. This applies, whether you have 60 shares or 100 or 1,000.

You could keep a record of your cost basis, in case you do sell. The difference between your cost basis and the proceeds from the sale would then be a capital gain or a capital loss to be reported on your income tax return.

You can sell one share or all of the shares you own. But you should know the exact cost basis of what you sell.

Q. Can you print a list of companies that annually or occasionally send to stockholders samples of their products? I have been told that some cigar companies do this but I cannot find out which company it is. I'm sure many of your readers would welcome this knowledge.

A. I'm sure, too, but I'm sorry to report that there's no such list available. And, for your personal s.o.k.ing purposes, I couldn't locate that generous cigar company's name in a company directory.

NEW YORK (AP) — Wool futures closed up, to 1 cent higher, July 133.10, Oct 133.00, Dec 134.50, May 132.00, Sep 132.80. Certified wool spot 132.50. Wool tops futures closed quiet.

Certified spot wool tops at 177.00. B-Bid; N-Nominal.

NEW YORK (AP) — Domestic sugar futures No. 7 closed unchanged; sales 12 contracts, Sep 6.00, Nov 6.00.

RECIPIENT OF THE Duty to God award, highest church-related honor in Scouting, is William (Bill) Taylor, son of Mr. and Mrs. John W. Taylor. View, Taylor, shown here with his mother, was presented the award by Bishop Harold W. Blauer. It represents four years of special church and scouting achievement.

Woman Will Be Honored in Texas

EDNA, Tex. (AP) — Josephine W. Carmichael, 89, a former school teacher whose donation

made possible a hospital in Liberia, will be honored by that nation tonight in Edna.

Edward Peal, Liberia's ambassador to the United States, will bestow on her the title of Knight Commander of the Hu-

Idaho Convict Loses Fight Over Term

BOISE (AP)—An Idaho State Penitentiary convict has lost his fight to get his 60-year sentence for second degree murder reduced to life.

The State Supreme Court upheld the 60-year sentence of Edward Albert King Monday under which he would not be eligible for parole for 20 years.

King, convicted in Bannock County in January 1965, called the sentence too harsh and appealed for a life sentence under which he would be eligible for parole in 10 years.

An Idaho convict is eligible for parole after serving a third of his sentence. The 10-year parole eligibility under state judicial procedure is based on a life sentence average of 30 years.

Slides Shown During Knoll Grange Meet

M. Moucho, Idaho Fish and Game Department representative, presented colored slides of the Hell's Canyon area at a meeting of the Knoll Grange recently.

Slides were shown of the 50-mile hike which Moucho and three others took from Hell's Canyon Dam site to Pittsburg Landing.

Elmer Annis reported the National Park and Recreation area meeting held recently in Sun Valley. He also reported the improvements being made at the recreation area at Murtaugh Lake.

Committees were appointed for the produce booth at the county fair by Master Harry Sharp and Overseer Bryan Plotz. Elmer Dossert was named as general chairman.

A grange picnic and hamburger fry was planned for 7 p.m. July 8 at the home of Mr. and Mrs. Annis.

YOUR BIRTHDAY and HOROSCOPE

TUESDAY, June 28—Born today, you are somewhat inclined to lead your life on a willy-nilly basis, being disinclined to make schedules or set plans for your future. Since you always have time for the impulsive move or for accepting the sudden invitation or opportunity, your life may be extraordinarily interesting one, but it is also quite likely to be unsettled, even disorganized.

So long as you have to account only to yourself, such a life may be entirely acceptable. You may be extremely happy, with only those responsibilities you choose to keep. You tied down. Should marriage enter the picture, however—and there is no reason to believe that it won't—you may find some changes in order.

Contrary to what many would judge you only by your actions, might think, you are not possessed of a flighty or illogical mind. You like to think of yourself as a "free soul," but, even so, you are highly intelligent, have periods of intense "bookishness," and have rational powers beyond those of many. If you didn't, you would hardly be able to survive the type of life you like to lead.

To find what is in store for you tomorrow, select your birthday, and read the corresponding paragraph. Let your birthday star be your daily guide.

Wednesday, June 29

CANCER (June 22-July 23)—Don't give in to the temptation to sit in judgment upon others. Remember that your turn for being judged will come soon enough.

LEO (July 24-Aug. 23)—Regarding the opposition as a helpful, friendly foe, as it can help you hit your stride by providing you with competition.

VIRGO (Aug. 24-Sept. 23)—Though the opportunity for revenge may well present itself today, avoid taking advantage of it. The wise Virgo will forgive.

LIBRA (Sept. 24-Oct. 23)—

Your best today may be a poor thing, indeed. But as long as it's your best, there should be no real complaint. Do what you can!

SCORPIO (Oct. 24-Nov. 22)—Take a tip from the Boy Scouts and be prepared. Remember that the best offense is not always a defense!

SAGITTARIUS (Nov. 23-Dec. 22)—You may not be able to conceal your innermost thoughts today when it comes to certain topics of conversation. Be wise and an "advisor."

CAPRICORN (Dec. 23-Jan. 20)—Business and personal problems may not go well together today. Keep your professional and private lives separate.

AQUARIUS (Jan. 21-Feb. 19)—Do sure to let your left hand know what your right is doing, especially in matters of finance, or you may find yourself in over your head.

PISCES (Feb. 20-March 21)—Business and personal problems may not go well together today. Keep your professional and private lives separate.

TAURUS (April 21-May 21)—Today's success may well be a matter of furnishings. See that

California Earthquake Jolts Nerves

PASO ROBLES, Calif. (AP)—Central California's strongest earthquake in 11 years jolted nerves in a wide area Monday night, but did little damage.

A chimney fell on a house in Parkfield, a farming community of 20 houses 20 miles east of San Miguel, where University of California seismologists said the quake centered.

A power line and a number of trees fell there but the only injury was a minor cut to an unidentified boy.

Plaster cracked in the police station at San Luis Obispo. The main jolt apparently was along the San Andreas Fault, near Parkfield, Coalinga and priest Valley.

Reports of the quake came from Ventura, Santa Barbara, Kern and Kings Counties but no place reported extensive damage or injuries.

Dr. Charles Richter, California Institute of Technology seismologist at Pasadena, rated the first shaker at 5.0 on his scale and the second at 5.3.

The disastrous San Francisco quake of 1906 was rated at 8.3.

You are well-appointed for whatever it is you intend to do.

GEMINI (May 22-June 21)—Short and concise is the way to get your points across today. The long-winded Gemini is apt to bury his thesis in extraneous material.
